Hi Francesca

The SciC committee reviewed the procedures at the April 10, 2018 committee meeting and submitted comments thereafter. For comparison, I used the May 2018 version (AllegationProcedure-postcommittee2-clean attachment) and compared it with the most recent version (Allegation Procedure-October 22.2020.clean).

Attached is the comparison which details sweeping red line edits throughout.

Please let me know if any changes are needed. Thank you.
